Dear Year 12 Student, Parents & Carers

Thank you very much for being patient with us as we have finalised our plans for our face to face sessions next week.

We can now confirm that Year 12 students will be invited into school to attend a session over a two week period for each of their A Level subjects. Students will be allocated a day and a time slot to arrive. To ensure everyone's safety it is important that your child does not arrive before this time slot. Students will be kept in their subject groups and will be expected to adhere to social distancing. Later this week you will receive your email giving you the day and time your child should arrive at school. We ask that you complete the short survey below to inform us if you are planning for your child to attend the face to face sessions.

Please click the link to complete the survey:

The survey will close at 9am Wednesday 10<sup>th</sup> June.

I am sure you and your child will have numerous questions about the organisation of the face to face sessions and these should be answered in the attached Parents' Information Letter, but please do contact us by email if you have any other questions

Kind regards
