

5<sup>th</sup> June 2020

Dear Parents, Carers and Year 12 students

Thank you for your patience whilst we are finalising our planning for the gradual increase in provision of face to face sessions at Bradgate Sixth Form. As you are aware the government has delayed the date for Secondary schools to increase their provision and therefore we have had to wait a little longer for final confirmation on some points. We hope to receive this early next week and we can then provide you with the details.

We hope to be able to send you our plans giving you a summary of the provision we will be offering, the social distancing measures we have taken and our expectations in order for us to keep everyone safe. We will also be sending a survey which we will ask you to complete to indicate whether or not your son/daughter will be attending their allocated sessions from week beginning 15th June. Following this you will receive an individual email with the details of your son/daughter's allocated slot.

We do appreciate that you must all be keen to know what plans we have put in place, and thank you again for your patience and understanding.

Kind regards  
Tim Marston  
Wreake Valley Academy & Bradgate Sixth Form
