

## BRADGATE SIXTH FORM

Dear Parents/Carers

Understandably, there is considerable concern surrounding the cost of studying at university and I am sure that tuition fees will have been on your mind now that your daughter/son has started the UCAS application process.

However, a university education still represents value for money and there is considerable support available. We have arranged for De Montfort University to give a presentation to parents about applying for student finance on Friday 5<sup>th</sup> March at 6:00pm via MS Teams. This is the link: [https://teams.microsoft.com/join/19%3ameeting\\_ZDFmNWVjNDEtZTQ4Ni00MGU2LTgyYmItODZINmE1ZmM5NjU0%40thread.v2/0?context=%7b%22Tid%22%3a%224f78c0e3-d250-4ddf-bb1c-15d3145697cc%22%2c%22Oid%22%3a%220aafa47a-4380-4e1c-ae66-a022aa17d164%22%7d](https://teams.microsoft.com/join/19%3ameeting_ZDFmNWVjNDEtZTQ4Ni00MGU2LTgyYmItODZINmE1ZmM5NjU0%40thread.v2/0?context=%7b%22Tid%22%3a%224f78c0e3-d250-4ddf-bb1c-15d3145697cc%22%2c%22Oid%22%3a%220aafa47a-4380-4e1c-ae66-a022aa17d164%22%7d)

We hope this will give you all the practical information you need about the financial aspects of studying at university. The presentation lasts about 20-30 minutes and there will be an opportunity to ask questions afterwards.

Your son/daughter will also receive a session on student finance at 1:30pm on the same day.

Please get in touch if you require any further help or information.

Kind regards

Katie Johnson
