

Dear Parents and Carers

In January, we updated you on changes to the Post 16 Tutorial Programme for students with all Year 12 and Year 13 students now having a timetabled tutorial session once a fortnight. Students have been given new timetables and these can now also be viewed on Epraise. These sessions are named as PD on timetables.

These PD sessions are compulsory, and all students must attend their timetabled session. These sessions follow the KS5 PSHE curriculum and form part of your son/daughter's Post 16 Programme of Study. It is essential to provide a comprehensive PSHE education programme in Key Stage 5 as this ensures students continue to learn about issues with real-life relevance to them, at a crucial transition point in their lives.

This Key Stage also represents the last opportunity to ensure that students have the knowledge and understanding, skills, strategies and attributes needed for independent living and the next stage in their education or career.

Please don't hesitate to contact us if you have any questions.

Kind regards

**Katie Johnson and Karen Stirk**
